Happy New Year!

Most of us assume that celebrating New Year's Eve is a Christian custom, but actually New Year's is one of the oldest and most universal of all pagan traditions. The custom of celebrating it has remained essentially unchanged for 4,000 years. The celebration of New Year's began in ancient Babylonia in Mesopotamia. It was a pagan custom of ancient sun-worship 2000 years before the birth of Jesus. The celebration of New Year's is never once commanded in the Bible. Jesus and the apostles never observed it and Moses forbade it. In New York's famed Times Square thousands gather to usher in the pagan Roman New Year.

Baby New Year Tradition

The tradition of using a baby to signify the New Year was started around 600 BC by the ancient Greeks, who, at the start of a year would carry a baby around in a basket. The purpose of it was to honor Dionysus, the God of Fertility and symbolize his annual rebirth. This custom is still practiced in parts of Greece.

WE HOPE EVERYONE HAS A GREAT
NEW YEAR

We had our Staff Christmas Party on December 8th. We had plenty of food, laughs, and gifts to go around. The residents listened to Jim and Jeanne Black play music, and sang Christmas Carols. Fun was had by all! 🎅
